PROFILE

I am a Student of SLIIT, and I'm very passionate and dedicated to my work. I enjoy every step of the design process and develop, I am forward to work as a team and like shear knowledge with each other from discussion and collaboration to concept and execution, but I find the most satisfaction in seeing the finished product do everything for you that it was created to do.

SKILLS

- Java
- PHP
- GIT
- SQL
- Bootstrap
- JavaScript
- Laravel
- Python
